

NeighborWorks America has officially announced the network organizations to be featured in the upcoming NeighborWorks Book to be published December 2016.

Arbor Housing and Development will be featured in the book.

The book will consist of case studies of the outstanding work being done in community development, as well as innovative solutions in affordable housing. The strength of the NeighborWorks network; our experience and peer to peer resources, allow us to not only leverage our expertise, but together build an elite solution-based platform to improve lives and strengthen communities to overcome even the toughest of challenges.

We are proud to not only be participating in this project, but also be a chartered member of the NeighborWorks network. Mark your calendars for Dec. 2016 for the book launch and stay tuned for more

exciting events to come. Feel free to share the news on social media channels using the official NeighborWorks Book hashtag: #OurNWBook
